

## **Attention**

Our facility currently has residents and/or staff with gastroenteritis (vomiting and/or diarrhoea).

To protect yourself and others, wash and dry your hands thoroughly and often.

Thank you for your cooperation.

## Attention Staff

Our facility currently has residents and/or staff with gastroenteritis (vomiting and/or diarrhoea).

If you are ill with vomiting and/or diarrhoea, please let management know, and remain at home until 48 hours after the symptoms have stopped.

## **Attention visitors**

Our facility currently has residents/staff with gastroenteritis (vomiting and/or diarrhoea).

Please see a staff member before  
visiting any residents.

Thank you for your cooperation.
