Local information at your fingertips

To support patients to access the right care, at the right time

West Moreton Health's Health Professionals page

Information to inform decisions about patient care and management and refer to the right service in the first instance.

Referral information for Specialist Outpatient Department, Nurse Navigators, community clinicians/clinics, Hospital in the Home (HITH), Mental Health, Alcohol and Other Drugs Services and more.

www.westmoreton.health.qld.gov.au/health-professionals

Hospital in the Home (HITH)

Extended care options for patients with an acute condition whose care can be safely delivered in the patient's home (e.g. cellulitis requiring IV antibiotics).

Scan the QR code for a full list of eligible conditions.
